

“GO THEREFORE AND MAKE DISCIPLES...”

MAT 28:19

### Focus for ministry in Mexico ↗

“ And let us consider how we may spur one another on toward love and good deeds” (Heb. 10:24 NIV).

**Time in Puebla** during the end of this month has been with Scott and Shona Henderson, who minister in a poor community north of Puebla. In collaboration with a local church the focus for disciple-making and in-roads is “CHE” - Community Health & Evangelism. Outreach is not done in a vacuum, but is often preceded with a heavy-heart’s burden for a region or area. “Disciples making disciples for new churches” requires relational TIME with others, interacting and listening to others, and caring for them with Christ’s heaven-born love. Time in Mexico has thus been to spur on our ACTION missionaries as they seek God’s face in a very needy world and as they apply heart, soul, mind for the harvest. The Henderson's are a prized and honorable family.

**Time in Texcoco** has been with Carmen Salacsacan who focuses on outreach and discipleship for women & children. Carmen is a missionary from Manila to Mexico and is a special person with a blessed heart of love for others.

What is the **key for mentoring**? One relational paradigm is simple:

- Praying with your disciples when you meet with them.
- Listening to their reports and ask probing questions.
- Making plans together for new (or existing) endeavors.
- Assigning new training materials to study.
- Reviewing studies already done.
- Practicing new skills together with trainees.
- Praying again as you end the training session.

### Special points of interest:

- Praying for many new churches.
- Serving not as “experts”, but as coaches.
- Sticking to the basics of what the Bible says.
- Training others though the use of drama.
- Praying for MANY new house churches.
