MAT 28:19

SCM in Peru

Focus for late May is ministry in Peru ↗

Starting new churches (which hopefully multiply!)

Special points of interest:

- Taking trainee door to door to look for persons of peace.
- Having the trainees share the gospel, to train them.
- Training the trainees how to lead small new groups.
- Praying for new churches.
- Teaching church planting the old fashioned way: by doing it!

Some of the key ingredients:

Use OT/NT stories to train.	
Train for Lordship obedience.	
Facilitate participation by all.	
Pray for new vs. bigger groups.	
Train trainers to multiply.	
Ask God for new movements	
Think outside the box.	

☞ Training other to share gospel; finding persons of peace; & starting several new home groups.
